News from the Principal

School Advisory Council (SAC) Nominations

We are holding a call for nominations within our school community for those wishing to become members of an ISL London School Advisory Council. The SAC, which we are aiming to set up as soon as possible, will act as an advisory committee to the Director and Principals of the School and the ISL Group on matters concerning the school and to collaborate on our continuous improvement. Parents can either nominate themselves or nominate a parent (with their permission) who they feel would bring value to the committee. **For more details on the role, please contact PTA Chair Kari Baure or our Director of UK Schools Andy Atkinson.** The deadline for nominations is **23rd November**. **Nominations should be sent directly to Andy at aatkinson@islschools.org** and should state, in less than 200 words, a brief personal history and the reasons why the candidate would make a valuable addition to the advisory board. Thanks in advance!

Party!

Thanks in advance to the Parent Teacher Association for organizing an 'end of term' party for the students which will take place at 12.30 this coming Tuesday.
